Subject: C6 UST File Review

John Geroch and I reviewed C6 UST files at the LAFD and found copies of NFA letters (or documentation that indicates justification for closure) for USTs 2T, 3T, 4T, 11T, 12T, 13T, 14T, 19T, 20T, 27T, 28T, 31T, 32T, 33T, and 37T. We were unable to find any relevant documentation in the files for USTs 8T and 29T. I will check LBD records again to see if I can come up with anything for those two USTs.
